PERTINENT INFORMATION

This is an interrogation of Leutnant CLISSMANN, former 2 i/c of FAT 261, Hald, Denmark.

He claims not to know much about Jagdverband on the whole and practically nothing at all about Jagdverband Northwest. Once in 1945 he talks to Hauptmann EIMERS (Leitstelle II West) and EIMERS then said that Jagdverbände were being established, but there was nothing clear yet about their conditions, and he maintains that FAT 261 has received nothing concerning Jagdverband, which was meant to be established in Denmark. In "SD", COPENHAGEN, a certain Hauptsturmführer ISSEL was employed. The mentioned ISSEL probably had something to do with Jagdverband, but the subject knows nothing certain about this. He says that ISSEL's work was surrounded with great secrecy. What he positively knows about this matter is that in DEC 1944/JAN 1945 ISSEL came to HALD where, according to higher orders, he was to be informed of the technical procedure of sitting explosives depots. He got this information but not the places or amount of depots. The subject knows that ISSEL dealt with confiscated British explosives. FAT 261 got a good deal of British explosives for sitting in this country, and they got these explosives from ISSEL.

THIS IS ALL THE INFORMATION PERTINENT  
TO THE SUBJECT IN THIS DOCUMENT.
